The retreat will be held **from 20 June to 28 June 2026** on **Zakynthos**.

All guidance and group sharings will be offered in English and Dutch (depends on group). The level of the practices is suitable for both complete **beginners** and more **experienced practitioners**.

This is an **all-inclusive journey**: *accommodation, airport transfers, massages, and all meals and drinks* are included in your stay.

We recommend bringing comfortable, loose-fitting clothing for movement and relaxation, as well as swimwear to enjoy the sea and surrounding nature.

In case of **medical conditions**, a doctor's note confirming that you are fit to participate is required.

Please note that we are not *doctors or therapists*, and this retreat does not replace professional medical or psychological treatment.

MISSION

THE GOAL

Our intention with this retreat is to gently guide you back to the purest, most honest version of yourself.

In a safe and grounded space, we invite you to slow down, breathe, and truly feel what is moving inside you.

Through *breathwork, meditations, rapé medicine, cacao ceremonies, healing massages, tarot readings, and other cultural methods* rooted in *ancestral wisdom*, we support you in transmuting your **inner “lead”**: old pain, patterns, and limiting beliefs, into **inner “gold”**: clarity, self-love, and embodied truth.

This journey is not about becoming someone new, but about remembering who you already are beneath the noise, expectations, and masks. You don’t need to be “spiritual” or experienced to join us; you only need a sincere willingness to look within and take a step towards yourself.

Our aim is that you leave **Zakynthos** not just restored, but subtly **reborn** into a more authentic, aligned, and luminous way of living; with tools and insights you can carry back into your **everyday life**.

Bonita

SPACEHOLDERS

Naomy, Bonita, Jermaine and Kevin form a one soul family of spaceholders, each bringing a unique thread to the same sacred tapestry.

Naomy feels beyond words and works with tarot as a mirror for your soul, gently revealing what is ready to be seen and healed.

Bonita supports the body and heart through intuitive massage and cacao ceremonies, inviting you to soften, release, and open to deeper self-love.

Jermaine and **Kevin**, the two souls behind *Illuminated Alchemistz*, hold a safe and grounded container where energy, breath, and ritual come together to support profound inner transformation.

Together, the four of us weave a field of safety, depth, and loving truth, guided by sensitivity, intuition, and respect for ancestral wisdom. We balance the soft and the strong, the subtle and the intense, the mystical and the practical. As one team, we are here to gently guide you back to your true essence and help you remember the light and gold you already carry within.

If you feel something in your heart resonate as you read this, consider it an invitation. You are warmly welcome to step into this circle and walk this part of your journey with us.

VAN LOOD NAAR GOUD

"Lieve Quincy & Kevin,
vandaag een hape
ceremonie mogen doen bij
jullie op een top locatie in
een geweldige setting! Ik
vond het heel spannend
maar jullie hebben mij het
vertrouwen gegeven dat ik
zo nodig had. Het was een
geweldige liefdevolle
ervaring en door jullie
kunde en goede zorgen was
het iets om niet snel te
vergeten. Het heeft me rust
gegeven en vertrouwen, iets
waar ik erg naar verlangde
en daar ben ik jullie heel
dankbaar voor! Jullie zijn
geweldige mooie mensen
waarvoor dank!"

TESTIMONIALS

Here you can read the voices of those who have already walked the path **Van Lood naar Goud**. Their experiences speak of deep inner shifts, gentle healing, and the reconnection to their true essence. We invite you to feel into their words and sense whether this journey is also calling you.

"Ik heb nog nooit dingen
gedaan die m'n lichaam
kunnen beïnvloeden op een
zodanige manier anders
dan alcohol. Helemaal ivm
mijn diabetes Maar ik
voelde me veilig en
verbonden en die hoge
mate van energie is zo
bijzonder waardevol. Het
was een dag waarvan ik
zeg, hier moet je bij zijn
geweest. Dit kan je niet
uitleggen. Heb er ook niet
echt woorden voor om het
te omschrijven verder.. iets
met verbonden, magisch,
heel, mogen zijn, helen,
optimaal verbonden met
natuur en elkaar"

VAN LOOD NAAR GOUD

"He hallo! Even
terugkomend op afgelopen
zaterdag, weet niet wat
jullie hebben gedaan maar
ik kan opeens genieten van
kleine dingen, en waar ik
het leven nooit echt leuk
heb gevonden kan ik
helemaal ontspannen en ik
verbaas me zo over hoe ik
nu met situaties omga. De
pijn is ook uit mijn lichaam
en normaal heb ik na een
lange dag bijvoorbeeld veel
last van migraine waar ik
nu opeens kan doorgaan."
