OUR SERVICE

This retreat is fully all-inclusive, holding you from arrival to integration. Nourishing meals, wholesome bites, evening dinners, and comfortable overnight stays are all thoughtfully provided. Every detail is curated to support rest, presence, and deep inner work. Beyond the retreat, we offer gentle aftercare, honoring that the soul needs guidance as it returns. You are held – before, during, and after the journey.

**“AS THE OLD CYCLE CLOSES,
WE RELEASE WHAT WAS AND
STEP CONSCIOUSLY INTO
WHAT WANTS TO BE.”**

OUR MISSION

Our mission is to create a sacred space where souls can slow down, release, and remember their true nature. Spiritually, we guide participants to reconnect with inner wisdom, intuition, and purpose. Energetically, we support the clearing of stagnant patterns and invite balance, flow, and renewal. Physically, we ground transformation through the body with rest, nourishment, breath, and embodied practices. Over these three days, we walk beside each soul as they shed the old and step into a new cycle. This retreat is a rite of passage – gentle, honest, and deeply human.

NUMBER OF PARTICIPANTS

We welcome a maximum of 8 participants so that every soul receives the presence, care, and guidance it truly deserves. In this intimate group, we can honor each person's unique process and hold a safe, sacred space for deep inner work. This way, your journey is never rushed or overlooked, but met with full attention and heartfelt support.

PRACTICAL DETAILS

SPACEHOLDERS

Naomy, Bonita, Jermaine and Kevin form a one soul family of spaceholders, each bringing a unique thread to the same sacred tapestry.

Naomy feels beyond words and works with tarot as a mirror for your soul, gently revealing what is ready to be seen and healed.

Bonita supports the body and heart through intuitive massage and cacao ceremonies, inviting you to soften, release, and open to deeper self-love. A gifted masseuse whose touch opens inner landscapes, guiding you into layers of depth and healing far beyond what words could ever express.

Jermaine and Kevin, the two souls behind Illuminated Alchemistz, hold a safe and grounded container where energy, breath, and ritual come together to support profound inner transformation.

Together, the four of us weave a field of safety, depth, and loving truth, guided by sensitivity, intuition, and respect for ancestral wisdom. We balance the soft and the strong, the subtle and the intense, the mystical and the practical. As one team, we are here to gently guide you back to your true essence and help you remember the light and gold you already carry within.

If you feel something in your heart resonate when you read this, consider it an invitation. You are warmly welcome to step into the circle and walk this part of your journey with us.
